AND THE WORD BECAME FLESH AND LIVED AMONG US, AND WE HAVE SEEN HIS GLORY...

[JOHN 1:14]

## Advent

In the beginning of everything, God spoke the world into being. What God spoke was first light, and that light still shines in the darkness. In the coming of Jesus, that divine Word, that light, became a person, Jesus of Nazareth. What it means for God to show forth the divine message in material form, in the world, in Jesus, is known as incarnation. During Advent this year, we are going to focus on incarnation as God's power revealed not just once, but everywhere, in everyone. Our devotional reading for the season will be the short book, Embodied Light, written by Pastor Melissa. We will meet at 10:15 in the Fellowship Hall each Sunday for a brief discussion about the book's themes for each week. Copies of the book are available for each family.
